

**SFX: MAGICAL POOF OF FAIRY DUST AS PETER BURSTS THROUGH HUCKS' WINDOW.**

PETER

(To someone nearby)  
Do you see him?

**SFX: HUCKS SHOUTING IN SURPRISE AS HE FALLS TO THE GROUND, SURPRISED.**

HUCKS

You-- you're flying--

PETER

Yes. Bit obvious isn't it? How else am I going to get around.

HUCKS

How are you--

PETER

Sorry, we're looking for someone.

(To Tinkerbell)  
Do you see him anywhere?

**SFX: A STRANGE RINGING/HUMMING NOISE AS TINKERBELL DARTS AROUND THE ROOM.**

HUCKS

What is THAT?!

PETER

Hm. That's odd, I could've sworn I heard him up here.

HUCKS

What is going on-- *who are you?*!

PETER

Oh. Sorry. Peter. Hi.

HUCKS

You said you were looking for someone.

PETER

Yes, a child. I could've sworn I heard him through the window.

HUCKS

There are no children here.

PETER

Are you sure? I'm never wrong about these things.

HUCKS

I am positive. What, were you spying on me?

PETER

No, I just sort of... I dunno, I *feel* it. He was crying out, all alone. I came to help, but it seems like he's gone. He's not here. Must've been mistaken.

**SFX: PETER WALKING TO THE WINDOW, AIRY SOUNDS AS HE BEGINS TO FLY.**

PETER

C'mon, Tink.

HUCKS

Wait, wait, wait. How are you doing that?

PETER

Doing what?

HUCKS

(Like this should be  
obvious)

Suspending yourself four feet off the ground.

PETER

What, you can't do that?

HUCKS

No.

PETER

I'm not sure, honestly. I don't really think about it.

HUCKS

There must be some way, you-- you know-- turn it on and off.

PETER

I mean, sure. I uh... I just think a happy thought.

HUCKS

(Dryly)

You think a happy thought.

PETER

Sure.

HUCKS

You called that thing "Tink".

PETER

That's her name.

HUCKS

She? That thing is alive?

PETER

(Like this should be  
obvious)

Yes. She's a fairy.

HUCKS

A *what*?

PETER

She. Is. A. *Fairy*. And her ears clearly work better than yours, so watch what you say.

HUCKS

There's no such thing as fairies--

PETER

(Making a series of  
ridiculous noises to get  
HUCKS to be quiet)

BLAH, BLAH, BLAH, BLAH, BLAH--

HUCKS

What the hell are you doing?

PETER

Don't say that!

HUCKS

Why not?

PETER

Just *don't!*

HUCKS

This is ridiculous.

**SFX: TINKERBELL VOCALIZING. PETER LAUGHS.**

HUCKS

What-- what just happened, did she say something?

PETER

(Giggling)

Don't worry about it, it's fine.
